

Scientific Committee (SciCom) and Working Groups

Scientific Committee (SciCom)

Tasks of the EWRS SciCom are:

- To promote, implement and co-ordinate the scientific programme of the Society
- To formulate proposals and budgets for scientific activities
- To promote research, education and scientific collaboration in weed science under the umbrella of thematic Working Groups
- To organise conferences, meetings or symposia supported by the Working Groups

Chairperson: Jukka Salonen (jukka.salonen@luke.fi)

Secretary: Hüsrev Mennan (hmennan@omu.edu.tr)

EWRS President: Paul Neve (paul.neve@rothamsted.ac.uk)

EWRS Working Groups (WG)

Tasks of the 14 EWRS Working Groups are:

- To support and organise major EWRS symposia as well as international meetings and workshops
- To promote communication, education and training in specific areas of weed science
- To run joint transnational experiments and promote collaboration between scientists for submission of research proposals

WG Crop-Weed Interactions

Interactions between crop and weeds occurring after weed emergence

Coordinator: Theo Verwijst (theo.verwijst@vpe.slu.se)

http://www.ewrs.org/crop-weed_interactions.asp

WG Education & Training

Dissemination of knowledge in all aspects of weed science

Coordinator: to be appointed

www.ewrs.org/et/index.html

WG Germination & Early Growth

Weed seedbank dynamics and early seedling growth

Coordinator: Kirsten S. Tørresen (kirsten.torresen@nibio.no)

http://www.ewrs.org/germination_and_early_growth.asp

WG Herbicide Resistance

Study and effective management of herbicide resistance

Coordinator: Roland Beffa (Roland.beffa@bayer.com)

http://www.ewrs.org/herbicide_resistance.asp

WG Herbicide Tolerant Varieties

Agronomic impact of HT crops and management of weeds

Coordinator: Ivo Brants (ivo.o.brants@monsanto.com)

http://www.ewrs.org/Herbicide_tolerant_varieties.asp

WG Invasive Plants

Biology, ecology and control of agricultural and environmental alien species

Coordinator: Christian Bohren (christian.bohren@rac.admin.ch)

http://www.ewrs.org/invasive_plants.asp

WG Optimising Herbicide Use in an IWM Context

Optimum use of herbicides in European crop production systems

Coordinator: Per Kudsk (per.kudsk@agrsci.dk)

http://www.ewrs.org/Optimizing_herbicide_use.asp

WG Parasitic Weeds

Biology, ecology and management of worldwide parasitic weeds

Coordinator: Maurizio Vurro (maurizio.vurro@ispa.cnr.it)

http://www.ewrs.org/parasitic_weeds.asp

WG Physical & Cultural Weed Control

Non-chemical weed control in sustainable agricultural systems

Coordinator: Marleen Riemens (marleen.riemens@wur.nl)

http://www.ewrs.org/physical_and_cultural_weed_control.asp

WG Site-Specific Weed Management

Plant sensing, weed mapping, robotic weeding and patch spraying

Coordinator: Svend Christensen (svc@kbm.sdu.dk)

http://www.ewrs.org/site_specific_weed_management.asp

WG Weeds & Biodiversity

Discussion and research on the role of weeds for biological diversity

Coordinator: Paula Westerman (biodiversity@ewrs.org)

http://www.ewrs.org/weeds_and_biodiversity.asp

WG Weed Management in Arid and Semi-arid Climate

Any aspects of weeds and their management in these environments

Coordinator: Hanan Eizenberg (eizenber@volcani.agri.gov.il)

http://www.ewrs.org/weed_management_in_arid_and_semi-arid_climate.asp

WG Weed Management Systems in Vegetables

Improvement of integrated/organic weed management in vegetables

Coordinator: Euro Pannacci (euro.pannacci@unipg.it)

http://www.ewrs.org/weed_management_systems_in_vegetables.asp

WG Weed Mapping

Overview on the occurrence and spread of weeds in Europe

Coordinator: Garyfalia Economou (economu@aua.gr)

http://www.ewrs.org/weed_mapping.asp
